

Brian Brabham, PhD, CSCS
Statement of Faith

I believe that there is one true God who exists eternally in three persons. I believe that Jesus Christ is the Son of God, born of a virgin, who lived a perfect and sinless life. Through his death and resurrection, Jesus paid the penalty for our sins and made salvation possible for all who believe. Jesus is the only way to salvation. Salvation is a gift of God's grace received through faith in Jesus Christ alone. It cannot be earned through works. When we confess Christ as Lord and Savior, and believe in the resurrection, our sins, past, present, and future are forgiven. I believe that the Bible is the authoritative word of God, is true and trustworthy, and provides us with guidance, wisdom, and instruction for every area of our lives. I believe that those who place their faith in Jesus will spend eternity in the presence of God in heaven.

The Christian life is a daily walk with Christ characterized by prayer, obedience to scripture, service, and the sharing of the gospel. As believers, we are called to live as ambassadors for Christ in our homes, workplaces, and communities. We are called to lead others to Christ. My wife and I have been members of Brazos Meadows Baptist Church in Hewitt, TX for 21 years. During our time at Brazos, we have been involved in various ministries including the children's ministry as Sunday School teachers, parents of young adults Sunday School teachers, prayer partners at the Heart of Texas Fair, and marriage mentors. Additionally, I have served Brazos Meadows as a deacon and was ordained as an elder in July of 2019. In these roles, we have lived out our calling to lead others to Christ. We have grown exponentially in our faith and have embraced the opportunity to glorify Christ. In all that we do, we are called to live our lives in a manner that brings glory to Christ and leads others to Him.
