

RECOMMENDED COMPUTER SPECIFICATIONS

UMHB utilizes an infrastructure which is designed to work best with the following computer specifications.

Operating Systems

- ✓ Windows 11
- ✓ Mac OS X 26 and newer
- ✓ Linux
- ✓ ChromeOS

Screen Resolution

- ✓ A minimum resolution of 1366x768, which is a common resolution for basic notebook computers.

Computer Speed and Processor

- ✓ A computer less than 3 years old
- ✓ 16GB of RAM
- ✓ Modern processor (Dual Core or greater)

Campus Wireless Protocol

- ✓ 802.11a, n, or ac (*802.11b and g are not supported*)

Classes for certain majors may require advanced computer specifications. Please check with your advisor to ensure your computer will meet minimum requirements for your classes.
