

UMHB LOGO

The UMHB logo/wordmark is a stand alone graphic element and cannot be used in combination with additional graphics/text. Approved logo/text combinations such as Corporate, College and Department units can be provided to you. Additions to these units must be approved for official use by contacting the Marketing & Communications Office.

TYPOGRAPHY

The Collegiate font is reserved for the official UMHB corporate logomark only. It should not be used alongside the UMHB wordmark in any way. Instead, we recommend one of our many complimentary fonts for items such as campus signage, merchandise, marketing materials, posters, etc. Contact our team directly if you have questions or need help creating something for your department.
